To Whom It May Concern:

The following is a letter of the highest recommendation. Several weeks ago I received a brochure through the mail from Mr. Barry Wank. I had no idea at that time how extremely pleased I would be with his services.

I spoke to Mr. Wank over the phone, and I found him to be flexible, professional, and most accommodating. Mr. Wank arranged our drapes to be cleaned quickly (we were expecting an inspection), and worked within our budget guidelines. Mr. Wank explained that every room in our 236 unit hotel would be cleaned within 3 days.

I recommend Barry Wank On Site Drapery Cleaning, Inc. to all hotels. They are affordable, fast, and professional. This is an opportunity you cannot afford to miss.

If you need any additional information, please feel free to call me at (816) 891-7788 ex. 7132. This is a company I would be delighted to discuss anytime!

Sincerely,

Dear Mr. Wank:

I am writing in response to your correspondence of May 14, 1997, regarding the completion of our recent drapery cleaning project at the Flamingo Hilton.

I would like to advise that we are most pleased with the outcome of this restoration product, as it truly has restored our drapes and sheers to essentially original condition.

I am certain that in time we will be using your services again.

Best wishes,
