Recently the Sofitel Miami contracted the services of Mr. Wank to do the in-house cleaning, deodorizing and repair of all guest room drapes. We were most satisfied and pleased with the excellent work accomplished in the guestrooms, especially while running at 100% occupancy and not inconveniencing our guests.

Dear Mr. Wank:

I would like to thank you and your staff for your professional and outstanding service and cooperation during the recent drapery cleaning we have been undergoing.

This unique process of cleaning drapes while they hang, proved to be a great convenience and time-saver for us. This, in conjunction with the necessary repair of the rods and drapes performed by your personnel, left us with a beautifully finished look.

I would highly recommend this service to others.

Sincerely yours,

*George Parker*

Barry,

I would like to take this opportunity to thank you for the wonderful job that you did with our drapes and sheers. I know that you really had your work cut out for you, but the difference is very noticeable the minute you enter the rooms. We can put off having to replace many of the drapes for another year or so and I really feel that your work was worth the investment. Please feel free to use me as a reference at anytime.

Thanks again,

Scott Perry  
Housekeeping Manager
