To Whom It May Concern,

In December of 1994, Barry Wank of On Site Drapery Cleaning cleaned the draperies and sheers for the Walt Disney World Dolphin.

The work was completed in a timely manner. I was very pleased with the work and the reliability of the service. Barry Wank was very easy to work with and did a great job.

Sincerely,

Chris Scheidt,

To Whom It May Concern:

Recently the Sheraton River House Hotel contracted the services of Mr. Wank to do the in-house cleaning, deodorizing and repair of all guest room drapes. We were most satisfied and pleased with the excellent work accomplished in the guest rooms, especially while running at 100% occupancy and not inconveniencing our guests.

I would not hesitate to recommend On-Site Drapery Cleaning.
